WORK EXPERIENCE

AI/ML Developer | PM 2024 - Present

BRILLIANT BY DESIGN | ZISUZ LABS LLC

Designed and developed an AI-powered diamond grading platform using advanced image processing techniques. Implemented a robust model for precise color, clarity, and cut assessment. Integrated Gemini API for enhanced accuracy and user experience. Built with Next.js/React and deployed on Vercel, utilizing a Streamlit-based deep learning model.

Chief Technology 2022 - 2024

FLORENCE NIGHTINGALE | UK

As the CTO, I was responsible under leadership of CEO for overseeing all aspects of hiring, website and app development, social media marketing, advertising, TV ads, and growth engineering. Our leadership and strategic vision will play a crucial role in shaping the future of our agency. Florence Nightingale is NHS Affiliated Healthcare Recruitment Agency.

Full Stack Developer 2022 - 2023

PROLIZ.DE | BREMEN GERMANY

Designed and developed Carpooling Services app startup called CypCarpool BASIC and GOLD in Bremen Germany under Mr Achim CTO of Proliz.de. Responsibilities include designing complex route mapping for paid app versions using OpenRouteService without incurring hefty bills. CypCarpool GOLD is being touted as Lyft of Europe.

Founder, CEO 2019 - Present

ZISUZ LABS, LLC | SHERIDAN

Through our innovative approach, we strive to transform the renewable energy sector, optimize agricultural practices, explore the uncharted territories of space, leverage the power of blockchain technology, and create state-of-the-art mobile applications. We will be representing our USPTO patent pending tech in Hannover Messe and NASA CLIPS program

Full Stack Developer 2014 - 2015

INCUBE8.SG | SINGAPORE

Design Develop and Manage Pair Me Up internet website, mobile app and systems. The company's client was New York City infamous dating service Seeking Arrangement.

Project Manager 2013 - 2013

IRIS WORLDWIDE | GURGAON

Iris is a creative network of over 1000 people in 14 offices, working with some of the world's biggest businesses including Samsung, Adidas and Shell. I managed offshore development of Reckitt Benckiser London & BMW Mini London. I worked under an Account Director of London Olympics fame.
